Re: Ashland Oil Political Action Committee for Employees (PACE)  
Identification Number: C00075994

Dear Ms. Reynolds:

This is to acknowledge receipt of your letter notifying me that a clarification was needed to PACE's July Monthly Report (6/1/93 - 6/30/93) in which a contribution listed on Schedule B supporting Line 29 of the report indicated a contribution was made to the Democratic Congressional Campaign Committee, Friends of Bud Cramer, an apparent federal candidate, but the purpose of the disbursement was noted to be "state political party". Your letter requested clarification as to whether the contribution was for a federal candidate or a state party. The contribution was to neither a federal candidate nor a state party. Rather, the contribution was to a "national political party".

Submitted herewith are amended reports for the period June 1, 1993 through September 30, 1993 for the Ashland Oil Political Action Committee for Employees (PACE) No. C00075994.

In June, a contribution was made to the Democratic Congressional Campaign Committee. Due to a clerical error, the address incorrectly contained the phrase "Friends of Bud Cramer" which made it appear to be a contribution to a federal candidate. The address has been corrected on Schedule B. Also due to a clerical error, the contribution was incorrectly entered as being to a "state political party" instead of to a "national political party" affecting Lines 23 and 29 on the Detailed Summary Page. This has been corrected and enclosed is an amended July Monthly Report (6/1/93 - 6/30/93) evidencing the corrections made on the Detailed Summary Page to Lines 23 and 29 in Columns A and B and the supporting documentation for Schedule B evidencing the contribution.

Furthermore, we are submitting amended reports for the months following the June transaction in order to carry forward the correction made in June which has resulted in correcting the calendar year-to-date totals (Column B) for Lines 23 and 29 on the Detailed Summary Page. The corrections made to the calendar year-to-date totals on the Detailed Summary Page do not affect any of the figures given on the Summary Page.

It is Ashland's intent to fully comply with the rules and regulations of the Commission. We regret any inconvenience this causes your office. If you have any questions or need additional information, please feel free to contact me at (606) 329-3600.

Sincerely,

Sharon R. Walker  
Treasurer
